

SEA Class 15 Officer Training Boat

The 15m Officer Training Boat offers a highly comprehensive capability for Cadet Officer Training. It is designed to provide self contained training facilities and accommodation for up to 12 Officer Cadets and four Instructors.

Equipped with bunks, class room seating, networked workstations and a comfortable mess area, the Instructors are able to offer a wide range of training from basic seamanship to advanced navigation skills utilising an integrated IMO-approved Navigation Suite.

SEA Class Platform

Operational Performance

Proven, sea-going performance for assured safety during operations. Certified to DNV standards.

Affordable

With a modular, re-role capability, the craft can be easily reconfigured to the user's requirements.

Officer Training

Fully integrated Officer Training module provides a wide range of training capability for Officer Cadets.

Commonality

Common components with the Sea Class range reduce spares holdings and through-life costs.

... a sound decision

- Provides self-contained training facilities and accommodation

- Facilitates up to 12 cadets and four instructors

Platform Characteristics

- Length - 15m
- Beam - 4.4m
- Maximum draft - 0.85m
- Lightships displacement - nominal 20,400kg
- Payload capacity - up to 7,000kg
- Propulsion - Twin engine, Water-jet
- Speed - up to 25 knots
- Operation - MCA 60 Miles, Cat 2

Officer Training Module

- Classroom seating for 12 persons
- Networked classroom workstations
- Interactive display screen and whiteboard
- Mess area, personal effects stowage
- Accommodation for eight persons

Operational Benefits

PERFORMANCE

- IMO-approved navigation suite
- Highly reliable propulsion
- High speed
- High manoeuvrability
- High payload capacity

PHYSICAL CHARACTERISTICS

- Road and sea transportable
- Modular re-role capability

SUPPORTABILITY

- Common components
- Minimal maintenance
- Minimal training requirement
- Full integrated logistic support

COST

- Affordable
- Upgradable
- Interchangeable modules
